

## **TRUE Pathfinder Privacy Policy**

This Privacy Policy is declared by the True (“TRansition paths to sUstainable legume based systems in Europe”) project consortium that is led by THE JAMES HUTTON INSTITUTE (Errol Road Invergowrie, DD2 5DA Dundee, United Kingdom), working with the list of partners available at the following link:

<https://cordis.europa.eu/project/id/727973>

### **Introduction**

TRUE Pathfinder is a scientific tool developed as part of Horizon2020 project TRUE that has received funding from the European Union’s Horizon 2020 research and innovation programme under grant agreement No 727973. This privacy policy will explain how we use the personal data collected from you when you use the system. By using the system, you accept and undertake to be bound by this Privacy Policy.

### **Definitions**

“we/us” means the TRUE project consortium indicated above;

“system” means the TRUE Pathfinder;

“you” means a user of the system;

### **What data do we collect?**

The system collects the following data:

- Broader data on socio-economic performances of the target legume value-chain.

## **How do we collect your data?**

You directly provide the system with most of the data necessary to function. The system collects data and process data when you:

- Use the system for assessment and analysis of a value-chain.
- Use or view our website via your browser's cookies.

## **How will we use your data?**

The system collects your data so that it can:

- Process your order for assessment and analysis of the sustainability of your legume value-chain from an environmental, social and economic perspective.

Above stated ways of data collection are strictly valid for activities related to the Horizon2020 project TRUE, and are in use during the project life span. However, if there is a new project funded by the European Commission (e.g. structural funds, Horizon Europe), in which at least one of the partners from TRUE will participate, your data may be used for the following:

- Validate and improve (in the future) the models' performance based on practical usage of the system.
- Analyze long-term and general practices in legume value chains.
- Perform other scientific research in regard with food production, agriculture, environment protection and related disciplines.

The collected data are not publicly disposed, but protected by the user credentials. Each user has access to its own data.

## **How do we store your data?**

Your data are securely stored on data servers at Jozef Stefan Institute in Ljubljana, Slovenia, with proper protection which includes firewalls and limited access to the network on which the servers are attached.

Your data will be kept on the aforementioned location with no limitation regarding the time, or until you request they to be completely deleted.

## **Marketing**

There is no intention by any of the TRUE partners to use your data for commercial and marketing purposes.

## **What are your data protection rights?**

We would like to make sure you are fully aware of all of your data protection rights. Every user is entitled to the following:

**The right to access** – You have the right to request copies of your personal data.

**The right to rectification** – You have the right to request that we correct any information you believe is inaccurate. You also have the right to request us to complete the information you believe is incomplete.

**The right to erasure** – You have the right to request that we erase your personal data, under certain conditions.

**The right to restrict processing** – You have the right to request that we restrict the processing of your personal data, under certain conditions.

**The right to object to processing** – You have the right to object to our processing of your personal data, under certain conditions.

**The right to data portability** – You have the right to request that we transfer the data that we have collected to another organization, or directly to you, under certain conditions.

If you make a request, we have one month to respond to you. If you would like to exercise any of these rights, please contact us at our email:

## **Cookies**

Cookies are text files placed on your computer to collect standard Internet log information and visitor behavior information. When you visit our websites, we may collect information from you automatically through cookies or similar technology

For further information, visit [allaboutcookies.org](http://allaboutcookies.org).

## **How do we use cookies?**

The system uses cookies in two ways to improve your experience with the system, including:

- Managing active user sessions

- Storing information on acceptance of the *Terms and Conditions* and *Privacy Policy*

## **What types of cookies do we use?**

There are a number of different types of cookies, however, our website uses:

- Functionality – The system uses these cookies so that we recognize you on our website and remember your previously selected preferences. These include acceptance of *Terms and Conditions* and *Privacy Policy*. A mix of first-party and third-party cookies are used.

## **How to manage cookies**

You can set your browser not to accept cookies, and the above website tells you how to remove cookies from your browser. However, in a few cases, some of the system features may not function as a result.

## **Privacy policies of other websites**

The system contains links to other websites. Our privacy policy applies only to this website, so if you click on a link to another website, you should read their privacy policy.

## **Changes to our privacy policy**

We keep the privacy policy under regular review with possibilities of updates that will be published in the system. However, upon conclusion of the Horizon2020 project TRUE there will not be any further updates, except a new project with new consortia takes over the responsibility. This privacy policy was last updated on 1 September 2021.

## **How to contact us**

If you have any questions about system's privacy policy, the data stored, or you would like to exercise one of your data protection rights, please do not hesitate to contact us.

Email us at: [dexiware@ijs.si](mailto:dexiware@ijs.si)

## **How to contact the appropriate authority**

Should you wish to report a complaint or if you feel that we have not addressed your concern in a satisfactory manner, you may contact the Information Commissioner's Office.
